MEETING REFERENCES

FEAB Vision: *to serve as a trusted, scientific resource providing a local environmental perspective to policy decisions to ensure environmental matters are given full consideration in the City's decision-making processes. We strive to positively affect the quality of life for all residents, their connection to our local ecosystems, and the resilience and sustainment of Fairhope as a small, yet world-class, city.*

FEAB Role: *the FEAB is dedicated to increasing awareness of environmental issues, offering recommendations to City administrators, and providing state-of-the-science consultation in the implementation of sustainable solutions.*
